

Party to Impress

How does having your very own wine and cocktail bar and bottleshop with a massive range of craft beer and natural wine sound? We'll add a private courtyard to the mix to chill and chat. Then we'll throw in The Low Ground (aka the party room) where you can dine, dance, lounge or sing to your hearts content. BYO DJ, a karaoke machine, a massive cake - the whole lower floor of Brewski is yours. This is one party they'll never forget. Impressed? Your guests sure will be!

Brewski Underground: Cocktail Bar & Bottleshop

Party to Impress (con't)

The Courtyard

3 Rooms, 1 Awesome Party.

It's like a house party, different rooms for different vibes for different times of the night. Except we cook, shake the cocktails and clean up. Sounds pretty good, right?

1. Brewski Underground: Cocktail Bar & Bottleshop

Our underground bar will blow you away for choice with: 10 taps, 10 cocktails, curated spirits, 40 wines by the bottle and 650+ beers and ciders to choose from - and seating for 12.

2. The Courtyard

Our outdoor chill-out zone, take a break or set-up some games for your guests with seating for 15 or 25 cocktail style.

3. The Low Ground

It's our best kept secret. Fully private and fully awesome. Have a sit-down dinner for 20, show embarrassing videos on the big screen, play your own music, bring your own DJ, karaoke - if you dream it, we can make it happen.
