

The Low Ground

Need a private space for a sit down dinner, a games night, a celebration or cocktail party for 15-35 people, then The Low Ground is for you.

Situated on Brewski's lower floor right next to our cocktail bar and bottleshop with a massive range of craft beer and natural wine - your guests will never go thirsty. Throw in a delicious spread from the kitchen and you've got yourself a night to remember.

In this versatile space you can play your own music, bring your own DJ, karaoke, show embarrassing videos on the big screen, play poker - if you dream it, we can make it happen.
